

# Pouce Coupe Fire Hall Survey

**1. Please circle or check the level of service you would like to see for the Village of Pouce Coupe.**

- No service:** Without the fire department in Pouce Coupe, fire services would be negotiated to be handled by the nearest community and billed to the Village of Pouce Coupe based on the services provided. Insurance for homes is underwritten to address how close a home is to fire service. Unprotected homes could see their insurance rates increase as much as double or more.
  
- Exterior Operations Tier 1 (Level 1): Attending to exterior fires only; not authorized to enter buildings.**
  
- Interior Operations Tier 2 (Level 2): Attending to exterior and interior with many regulations.**
  
- Full-Service Operations Tier 3 (Level 3):** Pouce Coupe is Full-Service Operations Tier 3 (Level 3) which includes extinguishing fires in the area, protecting life and property in the event of fires in the area, assisting and protecting people in the event of a road traffic collision and rescuing and protecting people in the event of other emergencies.

**2. Fire Department Self-sustainability**-With investment in equipment and charging fees for services, Pouce Coupe

Fire Department can work at becoming more self-sufficient.

**Do you think the fire department should work towards becoming more self-sufficient?**

YES                         NO  

If you would like to leave your name and address and comments, please use the space below. If you are interested in becoming a member of the Pouce Coupe Volunteer Fire Department contact [firechief@poucecoupe.ca](mailto:firechief@poucecoupe.ca) or leave your name and contact information in the area provided below.

Please return the survey to the Village Office by September 23, 2022 in person, by mail or scan or send a photo of the survey filled out and email to [admin@poucecoupe.ca](mailto:admin@poucecoupe.ca).
